Dear Partner,

History is in the making in the Village of Phoenix! We, the Friends of the Phoenix Library, would like to encourage you to become a part of this exciting and historical event.

In late August 2012, the new Barack Obama Learning Center, located at 155th Street and 8th Avenue, opened its doors to the community. This new library and learning center is a great asset to a great community. Children of all ages are able to enjoy a beautiful and safe environment full of books, current technology and media options.

The Friends of the Phoenix Library is a group of volunteers that have come together to provide ongoing needed assistance to the library. We have sponsored several fundraisers and are currently sponsoring a donor wall fundraiser. We are asking community members, businesses, former students and NJHS members of Coolidge Middle School, former employees of District 151 and family friends of deceased loved ones, for your support of the library by purchasing a brick for the donor wall. Based on the amount of your donation, your name or specified inscription will be placed on your donor brick and displayed proudly throughout history.

Below are the details for the various amounts and donation levels. If there are any questions, please feel free to call our financial secretary, Dorothy Owens, at 708.829.8792, or our library board liaison Gloria Dudley at 708.333.5776. We thank you in advance for your generous support and please visit our Friends of the Phoenix Library Facebook page.
